Shooting Season.

Already the sportsmen are beginning to take their guns and dogs and thread the marshes on the lowlands in search of the native duck, which is now feeding on the rice of the swamps, or climb the hills and mountains in the interior where the quail and dove may be found in abundance in the lantana. Almost every Saturday parties of one or two are off for the country after the winged game which is now so plentiful. The sports of Waimanalo cannot now be held without the fear of instant death and for the next five months or so they will remain practically undisturbed.

The seasons for the different birds are as follows:—July, August, September, October, November, December, January.

Wild pigeon—July, August, September, October, November, December, January.

Native duck—September 15-30, October, November, December, January.

Native goose—September 15-30, October, November, December, January.

On the Diamond.

Baseball has taken a new lease of life in Honolulu. The old Star aggregation has been reorganized and is awaiting challenge from all comers. It is sincerely hoped that a league may be formed in Honolulu, if not in all the islands, so that good, clean sport may be furnished to the public.

The present Star team presents a very strong front. They take the field as follows:—Pitcher: Brown, catcher: Brown, pitcher: Soper, first base: Moore, second base: Thompson, shortstop: Wilder, third base: Bower, center field: Kiley, right field: Price, left field.

The Kamehameha school also has a very strong team of ball players. Although not up to their last year's standard, they can still give an exhibition of good base balls. They are as follows:

J. Kekuewa, catcher; W. Lemon, pitcher; F. Crockett, first base; D. Harbottle, second base; A. Kean, third base; D. Kahi, short stop; O. Jones, right field; E. Rosewarne, center field; A. Richards, left field; D. Kahi and E. Hamanaka, substitutes.

Another strong local aggregation is the O. Hall & Son's team. They have already won five games and come out of the lucky end of the horn every time. The hardware smashers are:

W. Mana, catcher; H. Kahi, pitcher; E. H. Paris, first base; S. Koki, second base; R. Reuter, third base; J. Akina, short stop; J. Mahoe, right field; J. Hausmann, center field; J. Aylett, left field; Pat Gleason and Wilkiki, substitutes.

A fourth team may enter the league from Oahu College later in the season, but at present the boys are so occupied with foot ball that there is no time to think of anything else.

The Star's energy in giving new life to local baseball is to be commended, and it is sincerely hoped that other teams will follow the Star's example.

Indoor Baseball.

One of the new games which Physical Director Coates of the Y. M. C. A. introduced in these islands last Spring was Indoor Baseball. The game was very popular and a league has been started by the boys of the Y. M. C. A. for the indoor championship of Honolulu.

Two of the teams entered are as follows:—Business men: Frank Atherton, John Waterhouse, Joe Cooke, E. Clark, Cheek, George Waterhouse, Charles Austin, Fred Berger.

Evening Classes: Johnson, Frank Hill, Farrier, Charles Young, Ed Irish, Will Keri, Merath, A. L. Castle.

It is expected that several other teams will enter the league. The Maile Hians are talking seriously of taking a full out of the other teams in a race for the championship. Punahou and Kamehameha are also thinking of making a bid for the championship honors. Several other teams are inclined to enter, which will make the rivalry quite intense.

Cricket.

The cricket season closed yesterday with the game between the Married Men and the Bachelors. That game marked the close of the most successful season since 1888. Seven matches were played, two being with the sailors from the different ships, two between the Married Men and Bachelors, one between teams called

Vice Presidents and Captains, one game between Vice Presidents and A. W. Bottomley's team, and one between Scotland and the World.

Scores for the different matches were as follows:

Honolulu Cricket Club against S. S. Bloemfontein: H. C. C. won by 5 wickets and 129 runs. Scores: H. C. C., 165 for 5 wickets; S. S. Bloemfontein, 37.

Honolulu Cricket Club against Ships in Port: H. C. C. won by 52 runs. Scores: H. C. C., 102; Ships in Port, 50.

Captain against Vice President: Vice Presidents won by 52 runs. Scores: Vice Presidents, 97; Captains, 45.

A. W. Bottomley's eleven against Vice President: Vice President won by 22 runs. Scores: Vice President, 61; Bottomley's eleven, 39.

Married against Single: Single won by 35 runs. Scores: Single, 88; Married, 53.

Married against Single (return): Single won by 6 runs. Scores: Single, 53; Married, 47.

Scotland against World: Scotland won by 7 wickets and 154 runs. Scores: Scotland, 201 for 3 wickets; World, 47.

The batting and bowling averages for the season were quite good. They are as follows:

Gossip of the Cinder Path.

The Y. M. C. A. Field Day, which will take place on October 13th, will be the largest thing of its kind ever held in these islands. Over fifty athletes have already entered the contest, and it is expected that many more will enter before the entry lists close.

The beauty of the contest is that the events will be entirely between individuals—no clubs being allowed to enter. Any clubs may enter as individuals but not as organizations. There will be sprinters and aspirants for cinder path honors from Punahou, High School, Kamehameha, Maile Hians and Y. M. C. A.

At present everything is dark in regard to the candidates. The boys are watching each other with a view to seeing which events they will enter. But several little pointers are being whispered about the headquarters of the people who are now training for the 13th.

Castle of Punahou will very probably enter the sprints. En Sang of Mills Institute is said to have been reeling off some fast time in the shorter distances. Last year he won two events in the Founder's Day celebration at Kamehameha, and it is thought he will still maintain his superiority.

Benny Clark is also expected to turn out for the short distances, but he may change his mind and enter the jumps instead.

Kamehameha is keeping silent and saying word. She is said to have three or four fast sprinters on her sleeve. At all events she promises a few surprises when the events are run off.

The Maile Hians also claim to have a few trump cards which they are holding back until the last minute.

Deverill and Dickson of Punahou will enter the 440 yard dash and 880 yard run respectively. The former has been training faithfully and ought to win a place in the race. Little is known of Dickson's ability as a runner, but he may develop medal winning propensities in the next few weeks.

In the weights there are some good dark horses, but it is impossible at this early date to pick any possible winners. There were some good Kamehameha men last year in these events and they are expected to enter.

Lonny Lemon of Kamehameha will undoubtedly take the pole vault, as he vaults a trifle over ten feet.

Of course the handicap committee will change matters considerably, but it is hoped that it will put the boys on a fair standing.

On the Gridiron.

The foot ball season is now well under way and the rival teams are beginning hard, earnest practice.

At Punahou the boys play hard, good foot ball for so early in the season. Of course the team work is rather ragged, but it is hoped that that will wear off when the boys get in better condition.

At present the first team lines up as follows:

What is

KASTOL.

KASTOL is nothing but the finest castor oil made perfectly palatable by a new process. It is as pleasant to take as honey. It is ready for immediate use; requiring no mixing.

There isn't any question about castor oil as a true laxative medicine; there isn't any question but it is the most unpleasant, nauseating dose ever prescribed. But KASTOL possesses all the medicinal properties of castor oil, with the bad taste eliminated.

Children need no coaxing to take KASTOL, they like it; so will you. 25 and 50 cents bottles.
